Known for his creative approach and proven record of success, Christopher provides clients with effective solutions to complex workplace issues.

Christopher McHardy* is a partner in our Labour & Employment Group in Vancouver where he offers high-level advice to clients on broad range of workplace issues relating to labour, employment, human rights, privacy and immigration law. As a part of National Retail, Biotech, Energy, Technology and Mining industry groups, Christopher has experience that helps him serve clients in their respective markets.

Clients appreciate Christopher's strategic, solutions-oriented approach. He is committed to delivering efficient and effective results when handling all manner of complex labour and employment issues. Christopher is recognized for his ability to think outside the box and present unique, pragmatic solutions that achieve bottom line objectives while taking into account workplace needs and sensitivities.

...professional, knowledgeable, responsive, understanding and accommodating.

— CHAMBERS, CANADA

Christopher regularly provides advice to employers on a broad range of workplace issues relating to labour, employment, human rights, privacy and immigration law. He is a frequent advisor to national and international clients in connection with establishing business operations in British Columbia. He also advises on and negotiates labour and employment issues in corporate mergers, acquisitions and outsourcing. He regularly represents management in collective bargaining, negotiations, investigations, mediations, arbitrations, administrative hearings and in court. Some of his experience includes:
