## **Practices**

Real Property

---

## **Team Value and Skills**

Liezl Dreijer is a paraprofessional in the Real Property and Planning Group in the Vancouver office. She supports the group in all aspects of real property transactions, including but not limited to commercial real estate acquisitions and dispositions, land development, project closings and lending transactions. Liezl blends property knowledge with a deep understanding of operating a business to add value for her clients.

## **Experience**

Liezl brings extensive expertise in residential development and commercial real estate transactions. Prior to relocating to Canada, she practised as a lawyer in South Africa focused on commercial and property law matters. Since her arrival in Canada, Liezl has been employed as a paraprofessional in several major law firms in British Columbia.

## **Certifications and Education**

Liezl graduated from the University of South Africa, with LLB and Business Administration degrees, and has completed the Masters program in Applied Legal Studies with Simon Fraser University in Vancouver. She also attends various seminars and conferences on a regular basis with emphasis in property law.
