Practices

Litigation and Dispute Resolution

Andr anne is a partner in the litigation group based at the Montreal office. Her practice focuses primarily on civil litigation, disciplinary and administrative matters, including professional and medical liability.

Andr anne joined the firm as a partner in 2023. Previously, she practiced within major firms in civil litigation, insurance law and professional liability. She has extensive experience in civil court advocacy, alternative dispute resolution and negotiation. She is recognized for her active listening skills, her great availability and her ability to develop efficient and creative solutions tailored to the needs of her clients.

She obtained her law degree from the Universit  de Montr al in 2007 and was admitted to the Quebec Bar in 2008.
