Law School

University of Alberta

Rahul recently completed his second year of law school at the University of Alberta. Prior to entering law school, Rahul pursued a Bachelor of Commerce degree with a focus on Business Economics and Law at the University of Alberta. Previously, Rahul interned at a local law firm in Edmonton, where he worked primarily on bankruptcy, real estate, and corporate matters.

In addition to his legal studies, Rahul has an avid interest in entrepreneurship. His passion for entrepreneurship led him to co-founding a distillery, two fast-food restaurants, and a food truck business in Edmonton.

Rahul is actively involved in his local community. He coaches youth basketball and mentors high school students for cyber defence competitions. He has also volunteered with the Edmonton Community Legal Center, Edmonton Youth Justice Committee Society, and Big Brothers Big Sisters.

In his spare time, Rahul enjoys playing basketball, soccer, and watching hockey.
