Law School

Université de Montréal

Jordan is currently completing his Bachelor of Civil Law degree at Université de Montréal, where he will graduate in 2025. Prior to his legal studies, Jordan completed his college diploma in Natural Sciences at Cégep of Abitibi-Témiscamingue. His academic journey was marked by consistent success, earning him numerous honors, including the prestigious Governor General's Academic Medal.

During his university career, Jordan represented Université de Montréal at the Donald G. H. Bowman National Tax Moot. In addition, he also participated in an anti-doping mock trial with the World Anti-Doping Agency. During his studies, he gained valuable practical experience working at a criminal law firm. Next year, Jordan will begin his term as the Vice President of Practical Activities at the university's Tax Law Committee.

On the sports front, Jordan is a former high-level hockey player, demonstrating his leadership as captain of his team on multiple occasions. His commitment and remarkable work ethic were recognized with the Mathieu Darce Award, a well-deserved honor for his dedication to academic and athletic excellence.

Jordan will complete his articling at McCarthy Tétrault in 2026.
