Law School

Université de Montréal

Christophe is a law student at Université de Montréal where he will complete his bachelor's degree in 2025. He completed a DEC in Social Sciences at Collège Lionel-Groulx in 2022.

Passionate about law and politics, Christophe participated in a legislative drafting contest in which he drafted the winning bill on the reform of Canada's electoral system. In the coming year, he will have the opportunity to be responsible for the organization of this competition. He is also involved in the Parlement jeunesse du Québec, which organizes a non-partisan parliamentary simulation each year at the National Assembly. During the winter 2024 semester, he had the opportunity to work with Professor Danielle Pinard as a research assistant conducting research on abortion rights and official languages.

Finally, Christophe likes to explain legal news on social media to make it accessible to all. In addition to his interests in politics and law, Christophe is passionate about theatre, board games and history.
