Maureen Gillis is a partner in McCarthy Tétrault's Business Law Group. Her practice covers a range of corporate and commercial areas, including corporate finance, cross-border and domestic mergers and acquisitions, securities, private equity, technology, fintech and energy projects. Based in McCarthy Tétrault's Vancouver office and New York office, where she advises clients in both Canada and the United States regarding Canadian and cross-border legal matters. Maureen is a member of the Private Equity, Energy, Technology, Fintech and Cybersecurity, Privacy and Data Management Groups at McCarthy Tétrault.

Prior to attending law school, Maureen worked in the technology industry for more than ten years, working with companies ranging from small start-ups to large international enterprise software firms.

Representative transactions and experience include:

- Advising two Canadian private equity funds with respect to fund formation and acquisition matters
- Acting as Canadian counsel to a U.S.-based private equity fund with respect to two Canadian acquisitions in the produce industry
- Advising the owners of a British Columbia tech company on its sale to a Canadian private equity fund
- Acting for a Canadian private company with respect to its sale of a manufacturing business to a U.S. private equity fund
- Acting for a Canadian video game company with respect to its acquisition of an artificial intelligence technology company
- Representing a Vancouver-based fintech company in its seed and Series A financing rounds and commercial agreements with U.S. banks
- Advising a member of the successful bidder team in connection with the US\$4 billion LaGuardia Airport Central Terminal Building Replacement Project
