Suhaylah Sequeira is an associate in our Tax Group in Toronto. She maintains a general income tax practice.

Prior to joining the firm, Suhaylah was an associate in the tax law group at a Big 4 accounting firm, where her practice focussed on international tax planning.

Suhaylah received her J.D. from Dalhousie University. While at law school, Suhaylah received the Edwin and Patricia Harris Prize in Taxation and the McInnes Cooper Trade Laws Prize. She also holds a Master of Science in Chemistry and a Bachelor of Science (Honours) in Environmental Chemistry from Queen's University.

Suhaylah is a member of the Nova Scotia Barristers Society, and the Law Society of Ontario.
